REMARKS

The Examiner has objected to Claims 4 and 5. It is believed that Claims 4 and 5 have been amended to overcome those objections.

The Examiner has also objected to the drawings as containing reference numerals 401 and 402 that are not mentioned in the description. Applicant herewith submits a replacement drawing sheet in which the reference numerals 401 and 402 have been deleted from Fig. 4.

It is noted that the objections to the specification have been overcome.

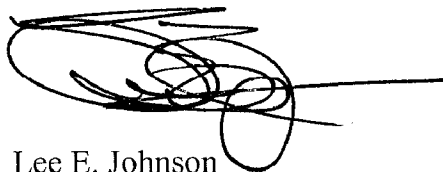

It is also noted that Claims 1-3 and 6 are allowable over the prior art and that Claims 4 and 5 would be allowable if amended to overcome the objection. It is therefore believed that Claims 1-6 are now in allowable condition.

In view of the foregoing comments, the Examiner is respectfully requested to reexamine the application, to reconsider and withdraw the objections to the claims and drawings, and to hopefully allow the case and pass it to issue.

If the Examiner has any further questions, he is invited to contact applicant's attorney at the number listed below.

Respectfully submitted,

CHRISTENSEN O'CONNOR
JOHNSON KINDNESS^{PLLC}
